**Re: Sorensen v. Lexar Media, Inc.**  
**Case No. C08-00095JW**

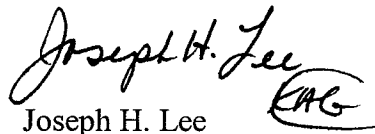

Dear Mr. Kaler:

I write in response to your letter dated May 19, 2008, regarding Sorensen's Motion for Application of 35 U.S.C. § 295 Presumption of Infringement. We were sorry to hear about Mr. Brown's medical situation and wish him a speedy recovery.

With respect to your intention to submit a substitute declaration for the Brown Declaration we believe it would be appropriate for Sorensen to also file a revised motion and brief and to ask the Court to strike the original brief and Brown Declaration (or for Sorensen to withdraw the original motion and accompanying papers). Doing so will minimize the risk of confusion and make clear that Sorensen is no longer relying on the Brown Declaration.

If you have any questions, please do not hesitate to contact me.

Sincerely,

  
Joseph H. Lee
